

## Free E-waste Recycling

Updated May 2012

### What is it?

The free e-waste recycling service runs permanently from the Mugga Lane and Mitchell Transfer Stations. Unwanted television and computer products can be disposed of for free at these collection points between 7.30am and 5pm, seven days a week.

### Who is eligible?

Anyone can access free e-waste recycling.

### Who runs it?

This service is part of the National Television and Computer Recycling Scheme. DHL Supply Chain (Australia) Pty Limited have been approved by the Australian Government to provide this service in the ACT.
